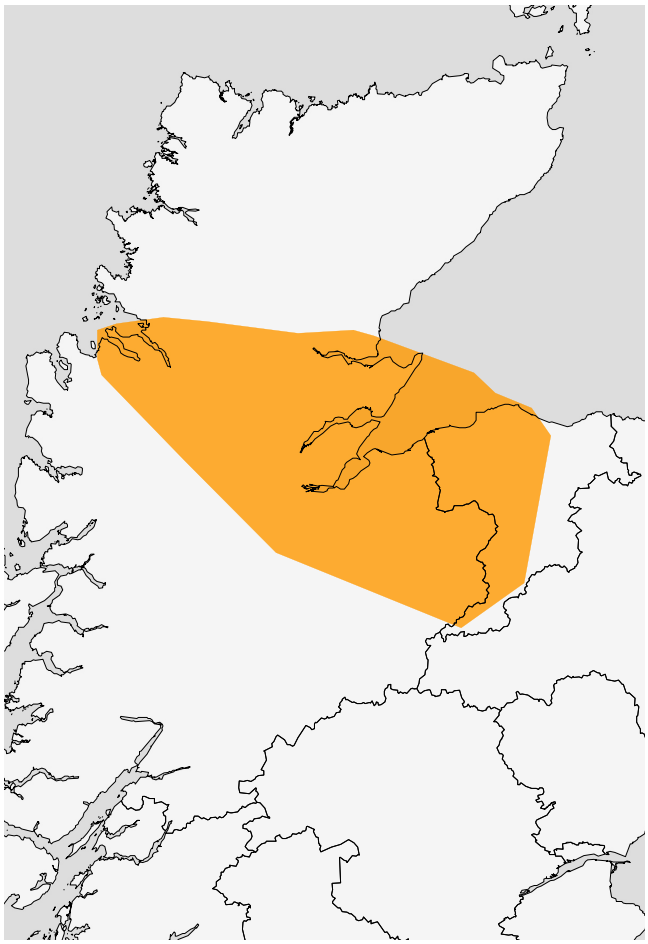
Amber warning
Rain

Between
06:00 Wed 28 Jul 2021 and
23:00 Wed 28 Jul 2021



Prolonged heavy rain is likely to cause travel disruption and some flooding.

What to expect

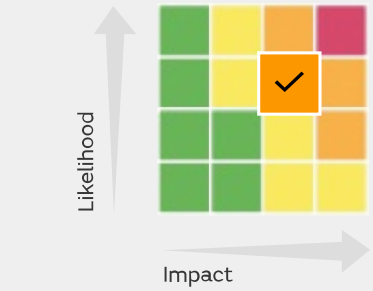
- Homes and businesses are likely to be flooded, causing damage to some buildings
- Fast flowing or deep floodwater is possible, causing danger to life
- Delays and some cancellations to train and bus services are likely
- Spray and flooding probably leading to difficult driving conditions and some road closures
- A chance some communities will be cut off by flooded roads

Further details

Areas of heavy rain along with some thunderstorms will continue to move north and west across the warning area during this afternoon and evening. Hourly rainfall accumulations of 20 to 30 mm are likely in places, and locally totals of 60 to 80 mm in a few spots by the end of the day. Surface water and disruption to transport is likely.

Reason for update

The eastern part of the warning area has been trimmed westwards and the warning expiry time has been brought forward.



Medium likelihood of medium impacts
